Re: (In-person) Foreman Training Program - Four (4) Sessions

The Mechanical Contracting Industry Council of New Jersey is pleased to announce its 58th Annual Foreman Training program for 2023.

The Foreman Training program will consist of four half-day seminars held (in-person) on **Saturdays, January 7, 14, 21 & 28, 2023, 8:00 am – 12:00 pm**. All sessions will be conducted at the Hilton Garden Inn at 304 Route 22, Springfield, NJ 07081, with details to follow as the seminar approaches.

This year's four-week program, built around the Mechanical Contractors Association of America's Job Supervisor's Manual, will consist of a series of panels, including contractors, United Association Business Managers, and outside MCAA National Consultants. In addition, MCIC will give graduates of the course a copy of the manual. There will also be a special panel presentation on the responsibilities of the Foreman under their collective bargaining agreements.
